NEO SYSTEM

Neo System

NEO is a sophisticated post and panel based system with standard technical height adjustability. Available with stacking screens in a wide variety of materials plus an integrated cable management system to suit the most intense environments.

Designed with minimal universal key parts, NEO has a low cost of ownership and infinite planning options to support individual or collaborative working. It is the workstation of choice for many corporations including Zurich, JP Morgan, BHP, NIB and St George.

NEO workstations and storage are GECA certified for maximum Green Star points, hold AS4442/4443 and offer a 10 year warranty.

Classic Concept - Contemporary Capability

The intelligent design of the Neo system allows it to cater to a wide variety of desking needs. The most efficient use of your space can be achieved with options for free standing desks, back to back clusters, L-Shaped positions and 120 Degree Pods.

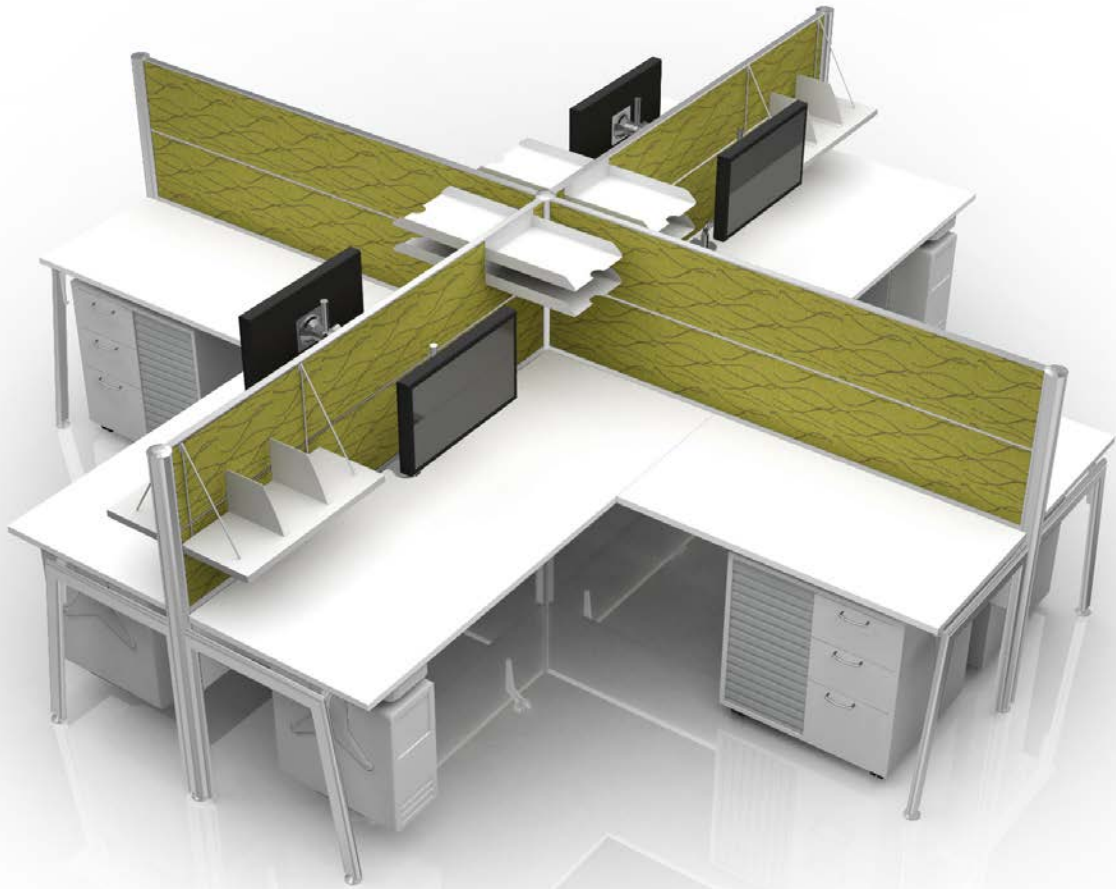

Every workspace is unique and the Neo System allows worktops and screens to be custom sized, providing the perfect fit for your desking requirements.

Looking Good From Every Angle
