VITO

The Vito Leg System integrates coherence and functionality in formal office spaces, making them elegant and space efficient.

From free standing desks to clusters of back to back positions, the Vito System is composed of modular elements useful in creating simple and complex workspace solutions.

Highly customisable through different layouts and colour combinations, Vito can provide a truly personalised workspace.

Compatible with our existing range of screens and accessories, no sacrifice is made to the functionality of the workspace and the needs of the client.
